Dear Sir or Madam

Infringement of Copyright:

http://wikileaks.org/wiki/UK_piracy_extortion_demand_based_on_evidence_from_Digi_Protect_GmbH%2C_18_Nov_2008

On Thursday 11 December 2008, a substantial extract of a letter we wrote was published on your website.

Publishing one of our letters, in part or in its entirety, without our express permission on a website where any member of the public can access it at any time is a primary infringement of section 20 of the Copyright Design and Patents Act 1988.

Accordingly, we should be grateful if you would remove the infringing letter and any related material from Wikileaks upon receipt of this letter, and at your discretion, exercise Wikileak's right to terminate the account of Mr J Ferris. We enclose a copy of our letter for your information.

We should be grateful to receive your written confirmation as soon as possible that the requisite action has been taken, to avoid any further action being necessary.

Thank you in advance for your co-operation.

Yours faithfully

Davenport Lyons
